Los Angeles

Core Skills

Design Systems Governance
Design Tokens & Multi-brand Theming
Accessibility (WCAG 2.2/3.0)
Component-driven UI Development
Cross-functional Leadership
Strategic Design Vision

Tools

- **Figma** — UI Design, prototyping
- **Design Tokens Studio** — Token integration plugin
- **Storybook** — Frontend workshop
- **Lottie Files** — Animation format
- **After effects** — Video editing & animation
- **Photoshop** — Photo editing
- **Git** — Version control
- **VWO** — A/B testing
- **Google analytics** — Journey analytics
- **ProtoPie** — Prototyping
- **Webflow** — CMS, prototyping
- **Jira** — Project management

Languages

- **CSS** — Expert in obscure methods
- **html** — Proficient
- **Javascript** — Gets it done
- **Swedish** — Native
- **English** — Fluent

Summary

Senior/Principal Product Designer with 7+ years of experience driving end-to-end product design for complex B2B SaaS platforms. Expert in building and scaling design systems that unify brands, accelerate engineering velocity, and deliver measurable business impact. Proven track record of leading cross-functional teams, mentoring designers, and shaping strategic design vision. Skilled at bridging design and engineering to deliver accessible, scalable, and reusable systems that elevate quality and reduce operational overhead.

Experience

Product Designer, Design Systems

Yubico, Stanford Medicine, Hewlett Packard Enterprises, WebMocha, Digital Pop
Mar 2024 - Present
Los Angeles, United States

Consulted as a principal-level design systems expert, enabling enterprises to scale design operations, unify brand experiences, and bridge design with engineering.

- Established Figma multi-context variables, improving asset preparation efficiency by 75%
- Streamlined token pipelines into Storybook/NPM, reducing QA effort 40–60%
- Delivered a component-driven build system, cutting page lead times by 36×
- Pioneered AI + brand data workflows for instant concepts, documentation, and scalable creativity

---

Yubico

4 yrs 7 mos

Product Design Lead

Full-time
Jan 2021 - Feb 2024 · 3 yrs 2 mos
Stockholm, Sweden

Led multi-million-dollar SaaS initiatives to accelerate development and reduce engineering effort:

- Integrated MUI with a unified design system, accelerating development velocity and cutting engineering effort by ~30%.
- Directed cross-functional delivery with three engineering teams, PMs, and technical writers, ensuring on-time release of multi-million-dollar SaaS features.
- Digitized global operations workflows, streamlining logistics and fulfillment and reducing manual process time by 40%.
- Championed accessibility and design tokens, reducing rework by 25% and ensuring WCAG 2.2 compliance across platforms.
- Mentored and coached designers in design system best practices, increasing adoption and consistency by 40% across teams.

UX Designer

Full-time
Aug 2019 - Jan 2021 · 1 yr 2 mos
Stockholm, Sweden

Created and scaled Yubico's first enterprise design system, replacing fragmented and legacy design processes with a unified framework. Aligned stakeholders across multiple teams and platforms, driving adoption and cross-functional collaboration. Delivered significant efficiency gains with engineering, reduced design debt, and established a foundation for scalable product growth.

FIDO UX Working Group Member

FIDO Alliance
Aug 2022 - Jan 2024

Workshop Facilitator / Agile Transformation

Agile Extreme - Europe's #1 Agile Transformation Partner
Jan 2019 - Aug 2019

Certificates

Certified SAFe® 5 Product Owner/Product Manager
Scaled Agile, Inc.
Issued Oct 2022

Advanced 2D Animation
School of Motion
Issued Sep 2022

Universities

Edith Cowan University
B.A. in Media & Communications
2017 - 2019

Berghs
Bachelor, Communication Strategy
2016 - 2016
